<i>Rotary Foundation Ambassadorial Scholar; university basketball team</i>	
University of Missouri	Columbia, MO
BA, Economics, Political Science	1993
<i>Student body president; economics teaching assistant; U.S. Senate intern</i>	

## LEADERSHIP

---

Lead author of two articles that became law in the United States. A 2006 article proposing the Food and Drug Administration's priority review voucher program

became law in 2007. A 2017 article proposing the Environmental Protection Agency’s vector expedited review voucher program became law in 2022.

Faculty Director of the Center for Health Sector Management (HSM) for more than a decade. HSM students comprise about 20 percent of Duke MBA students each year.
