

VITA

Jan. 2021

Jerry Che-Yung WEI, Associate Professor

Business Address

Department of IT, Analytics, and Operations
Mendoza College of Business
University of Notre Dame, Notre Dame, IN 46556
(574) 631-5460 (phone), 631-5255 (FAX) e-mail: jwei@nd.edu
web site: <http://mendoza.nd.edu/research-and-faculty/directory/jerry-wei/>
ORCID: 0000-0003-3008-6063
Google Scholar: search "Jerry Wei"

Education

- Ph.D. Major in Production/Operations Management, minor in Industrial Engineering, College of Business Administration, Texas A&M University, College Station, Texas (1987).
- M.E. Master of Engineering in Systems Engineering, Rochester Institute of Technology, Rochester, New York (1983).
- B.S. Bachelor of Science in Industrial Engineering, National Tsing Hua University, Hsinchu, Taiwan (1979).

Wei, J.C., N. Gaither, and R.A. Davis, "The Effect of Full vs. Incremental Holding Cost on the Multi-level Lot Sizing Decision," Proceedings of the annual national meeting of the Decision Science Institute, Las Vegas, Nevada, November 1985, 869-871.

Olson, D.L. and J.C. Wei, "Chance Constrained Aspects of Quality Control," presented at the ORSA/TIMS joint national meeting, Atlanta, Georgia, October 1985.

Sung, K. and J.C. Wei, "Extension of Microcomputer Powers: Solving Staircase Large-Scale Systems via Overlapping Coordination Techniques," presented at the fifth national and second international conference on computers and industrial engineering, Orlando, Florida, March 1983.

Invited Presentations:

"The Value of Production Scheduling Integration in Supply Chains," Operational research Center, Department of Mathematical Science, Tsinghua University, Beijing, China, June 5, 2002

"Demand Variation and Manufacturing Cell Design," 1992 National Conference of the Production and Operations Management Society, October 17-20, 1992, Orlando, Florida.

"Understanding the Exceptional Elements in Group Technology Cell Formation," (with G. Kern) Indiana Operations Management Symposium, Indiana University, March 30, 1990, Bloomington, Indiana.

"A Survey of Current Manufacturing Approaches," 7th Midwest-America Chinese Science and Technology Conference, June 8-10, 1990, St. Louis, Missouri.

Awards & Honors

Nominated Case Award (One of the 9 finalists out of 199 submitted cases), 2016 Global Contest for the Best China-focused Cases, hosted by Global Platform of China Cases, China Europe International Business School, Shanghai, China. Announced on April 27, 2017. Case Title "SJET Supply Chain Co., Ltd." Parts A and B.

Elected President (Aug. 2016 – 2019), International Association for Information and Management Sciences (IMS). Organization web: <http://orsc.edu.cn/ims/default.files/board.htm>

Notre Dame Faculty Research Support Program (FRSP) Initiation Grant, \$9,993, Apr. 2015- Dec. 2016.

Best Theoretical/Empirical Paper Award (co-authored with L.J. Krajewski), 1997 Decision Sciences Institute National Meeting.

Selected to attend the Japan Study Tour, co-sponsored by American Assembly of Collegiate Schools of Business (AACSB) and Keizai Koho Center, June 2-13, 1996.

Certified in Production and Inventory Management (CPIM designation) by the American Production & Inventory Control Society (APICS), 1995.

Dean's Outstanding Research Award, College of Business Administration, University of Notre Dame, 1990.

Professional Services

Associated Editor (summer 2014 - present), Journal of Operations Management; Editorial Review Board, (1996-present)

Editorial Review Board, Decision Sciences Journal (2004-2010)

President (2016-2021), Board of Directors, International Conference on Information and Management Sciences (IMS); General Chair, the 13th International Conference on IMS, Zhangjiajie, Hunan, China, Aug. 3-8, 2014; Organizational Committee, 2002-2008

Co-Chair, POM-Manufacturing Track, national meeting of Decision Sciences Institute, San Diego, Nov. 22-25, 1997.

Reviewer of Decision Sciences, Journal of Operations Management, International Journal of Production Research, IIE Transactions, European Journal of Operational Research, Production and Operations Management, International Journal of Flexible Manufacturing Systems, Journal of Intelligent Manufacturing, and IEEE Transactions of Systems, Man, and Cybernetics.

University Services

University Committee on Libraries (Fall 2020 – present)

MNA Curriculum Committee (Spring 2012- Dec. 2014; Fall 2017 – 2019)

MSM Curriculum Committee (Jan 2015 – Fall 2017)

Undergraduate Curriculum Committee (Fall 2012- Fall 2016)

EMBA Admission Committee (2007-2015)

Chair, College Honesty Committee (Fall 2010- Sp. 2012)

Faculty Advisor, MBA Asian Management Club (Fall 2011- 2019)

University Committee on Research and Sponsored Programs (1994-2007)

University Committee on Technical Computing (Fall 2000-Spr. 2001)

College Council (Fall 1999-2005, 2007-2010)

Student Advisor, Academic Honors for University Athletics (1998-2008)

Faculty Senate (May 1993-96)

Faculty Advisor, MBA Operations Mgt. Club (2001-03) and

MBA Technology Management Club (1995-99)

Faculty Advisor to MIS major students (1987-1995)

MBA Curriculum Committee (August 1993-96); MSA Curriculum Committee (1990-96)

Departmental Committee on Appointments and Promotions (Sep. 1994-98)

Target Opportunity Recruiting Committee (1997-99)

Departmental Chair Search Committee (Fall 1997-98)

Coordinator of departmental Research Lecture Series (August 1993-96)
 Departmental Honesty Committee (1991-2; 2005-2007)

Academic Experience

Courses taught recently:

Executive MBA: (1) Operations Strategy & Management (both South Bend and Chicago classes), EMBA Value Chain Analysis; (2) taught two modules, Supply Chain Management & Knowledge Management, to a group of managers of Far-Eastern Enterprise, Taiwan, July 2001.

Other Graduate programs: MSBA 70700 Operations Analytics & Process Improvement, MSM 60340 International Management, MGT 60700 Process Analytics, MGT 70720 International Operations, MGT 633 Design of Manufacturing Systems, MNA 70310 Decision Analysis & Statistics

Undergraduate: BAMG 30700 Operations & Competitive Enterprise; MGT 472 Operations Mgt.

International Travels:

- Exchange Associate Professor, Graduate School of Management, Yuan-Ze Institute of Technology, Chung-Li, Taiwan, May 20-July 20, 1996. Taught a series of Executive Development Seminars to Managers from Far Eastern Group, Xerox, Philips, and other industries in Taiwan.
- June 2-13, 1996: A two-week trip to Japan, sponsored by American Assembly of Collegiate Schools of Business (AACSB) and the Keizai Koho Center (KKC). Visit Toyota Kaikan and Motomachi assembly plant in Toyota City, Omron Corp (Kyoto), University of Marketing and Distribution Sciences in Kobe, Central Wholesale Market (Tokyo), Yamato Transportation Co. (Tokyo), Nippon Telegraph and Telephone Corp. (Tokyo), American Chamber of Commerce (Tokyo), Ministry of International Trade and Industry, Ministry of Labor, and Keidanren.
- March. 11-17, 1995: One week visit to Monterrey, Mexico. The trip included seminars held at Monterrey Tech. (ITESM) about doing business in Mexico and visits to Mexican companies (ALFA, Metalsa, and Maseca), the Whirlpool/Vetro joint venture, the Marco Contemporary Museum, and the Garcia Caves.

Associate Professor, August 1993-present, Department of Management, University of Notre Dame, Notre Dame, Indiana.

Assistant Professor, August 1987-July 1993, Department of Management, University of Notre Dame, Notre Dame, Indiana.

Graduate Assistant, September 1983 - August 1987, Department of Business Analysis, Texas A&M University, College Station, Texas. Course Taught: BANA 363 Production and Operations Management, BANA 303 Statistical Methods.

Research Assistant, September 1981 - May 1983, Department of Industrial Engineering, Rochester Institute of Technology, Rochester, New York.

Professional Experience

Consulting: Spring 2007 Directed Projects with EMBA students on lean process design in manufacturing, warehousing, and third-party logistics. May 2006 National Standard, Niles, MI. Lean Thinking training seminar; Dec. 1998 Pettibone-Michigan, Baraga, MI. Lean Manufacturing and cell layout of a job shop.; July - September 1989, Universal Foods Corporation, Milwaukee, Wisconsin. I provided suggestions to improving production planning and manufacturing process scheduling at Universal Foods Corporation, Milwaukee, Wisconsin.

Systems Engineering Internship: Jan. - May 1983, Xerox Company, Rochester, New York. I participated in the Automatic Developability Control project that used simulation and system optimization methods in copier design.

Ordnance Officer: July 1979 - May 1981, Second Lieutenant, Chinese Army, Taipei, Taiwan, Republic of China. Duties included material management and maintenance planning.
